

## **TOURNAMENT INFORMATION FOR FLL PARENTS AND FAMILIES**

Central Texas FIRST LEGO League (FLL) is proud to present the fourth annual Central Texas FLL Championship Tournament on Sunday, December 9 at Round Rock High School. We hope that you will be able to join us for this celebration of your child's scientific and engineering achievements. To ensure that your experience is as pleasant as possible, we would like to make you aware of the following tournament logistics:

- Each team will receive two (2) adult passes to be used by team coaches, mentors, and (if necessary) parents. Only adults with these passes will be allowed into the building reserved for pits and judging rooms. (Badges will be pinned on and can be transferred as necessary.) This policy is designed to ensure that all FLL participants have a safe and enjoyable experience. If you are concerned about your child and would like to check in with her/him during the day, you may want to prearrange a meeting time and location.
- No spectators are allowed into the judging rooms, which are located in a separate building from the competition. Family members are encouraged to attend the tournament to watch the head-to-head competition in the Field House Gymnasium, but we do not allow spectators into the judging sessions.
- There will be no secure storage available for personal items.
- No food or drink will be allowed into any tournament area except for the cafeteria (pits), and food in the cafeteria must be kept away from the practice tables. Snacks and drinks will be sold at the competition by the LBJ High School FRC robotics team. You may buy food from this group or bring your own food, but it must be consumed in the lobby area or outside. For those of you who prefer to eat off-site, we will also provide maps to nearby restaurants at the information table on the day of the tournament.
- Remember, EVERYONE working at the tournament is a volunteer and doing the best they can. Please respect them and let them know how much you appreciate their efforts.

Thank you for supporting your child's FLL efforts. We look forward to seeing you at the 2007 Central Texas FLL Championship Tournament.
